

Important Numbers
Poinsett County EMS 911
Poinsett County Sheriff 870-578-5411
Trumann Fire Department 870-483-5151
Stop Poaching Hotline 800-482-9262
AGFC Northeast Regional Office 877-972-5438

River Conditions
Access the main river channel through canals. The St. Francis River generally is free of rapids, although flooding and high water occur. High winds create dangerous conditions, especially in open water. Check water level at: <http://rivergages.mvr.usace.army.mil> (click on Memphis District, St. Francis River Basin, St. Francis River near Tulot). Normal pool is 212 feet during waterfowl season and 210 feet the rest of the year. Expect to travel 1-2 miles per hour.

Trail Lengths
Iron Bridge Access-Stephen's Landing – 3.7 miles
Stephen's Landing-Oak Donnick Access – 7.7 miles
Iron Bridge-Oak Donnick Access – 10.1 miles
The St. Francis River flows south.

History
New Madrid earthquakes that rocked the region in 1811-12 created the Sunken Lands. Ground along the St. Francis River dropped 6-8 feet over an area of about 30 miles and was flooded – hence the name The Great Swamp. Levees were built and canals were dug about 1900, and much of the region became farmland.
